

COVID-19 Update for Aerials

We are so happy to announce a reopening of instructional classes at Aerials Fit'n'Fun Gymnastics Center on September 7, 2020. We will be doing so gradually and responsibly with some new guidelines that we have been following all summer!

Our summer camps began on June 1st with limited capacities and we have been practicing and implementing all the safety protocols required by the various governing agencies with great success since then. The kids and staff have done a great job!

Registration is NOW OPEN for a limited number of instructional classes!

Please email our managers at info@aerialsgymnastics.com for any questions!

Thank you for your patience and we look forward to welcoming you back when you are ready!

Mr. Rick and the superfine, and very healthy, Aerials Crew

Parents, This is hard.

Please bear with us at this time, you will not be entering Aerials to sit and watch. We are limiting the number of bodies in the space and so we have to ask you to drop off your child and wait in the car, or go shopping, or read a book. This is a temporary measure, you know we love you in our gym, and we know your kids do to. This will all be over soon.

Yellow Phase : The new , but totally temporary, way to enter Aerials.

- All children and campers will enter from the rear of the building. The front entrance is temporarily closed
- Parents, simply drive around the back of the shipping center. You will see the grass turf area and the Aerials vehicles as well as Aerials staff members.
- There are two entrances and one exit at the back of the building.

Young campers will be escorted into and out of the building after class.

School age children will enter and exit individually.

- Our staff will take the temperature of ALL persons entering in the building. Parents should also be monitoring their own children's temperature at home, if they feel sick at all **PLEASE KEEP THEM HOME.**
- When picking up Parents should stay in the car and wait for their children.

All children, ages 3 and older including all school age children will exit at the door clearly marked with this sign in the back of Aerials.

The front entry, and the observation area, is temporarily closed. Not for long we hope!
