Our 23rd SUMMER!
Near STAPLES in the
Shoppes at Valley Forge.

Philosophy

For 23 summers, the staff at Aerials in Phoenixville has been providing children with an ideal environment for having fun while enhancing all sports and motor skills through physical coordination, agility, endurance, strength and balance. The Aerials Fit'n'Fun program builds confidence through success. We believe that small successes build confidence.

That new-found confidence leads to bigger successes and an even higher level of confidence. Through this progressive "success-confidence-success" method, we help children understand how to set realistic goals and then achieve them.

How to Register

Simply drop by the Aerials Fit'n'Fun Center and register your child. Please be prepared to leave a \$65 half day or \$105 full day, non refundable deposit, for the week you wish to reserve. The balance of the camp fee is due June 1. If stopping by is inconvenient, then call us at 610-983-9044, and we'll complete your registration and credit card payment information over the phone. Should you have any questions about our programs, please call. We look forward to hearing from you.

A \$65 half day or \$105 full day, **non-refundable deposit** is required for each child and week you are planning to reserve. Balance due two weeks before the start of your camp week. Camp fills up fast, register early! * **Children should pack a lunch.** Important Note: Field trip vendors have yet to provide fees, due to inflationary worries, for some field trips, a week's camp fee may increase by \$20 per week depending on the number of trips.

Our camps are organized strictly with staff to student ratio's in mind. We plan ahead, so last minute changes in enrollment do not translate into make ups, credits, discounts or refunds. We have 3 day and 5 day camps. So if you come only 4 of the 5 days, for any reason, there are no make up days, credits, discounts or refunds for the missed day(s). If your child needs a 2 day experience due to other activities in their schedule, choose the 3 day camp and simply miss one. In similar fashion, if you need a 4 day camp, simply choose the 5 day experience and miss one day. In addition, and this is extremely important; regarding 3 day camps, you must pick the days of your attendance in advance, there are no day changes, no exchanges or substitutions after June 12th.

Special Note: 10 days before a scheduled camp week, our office will send out an alert for any families interested in a 1 or 2 day experience, as enrollment allows, letting them know that openings are available. Enrollment would be on a first come, first served basis and paid in full at the time of enrollment. Should your enrolled child miss the camp day, please know this is also a no make up, credit, discount or refund fee.

Per day, half day camp \$60 / Per day, full day camp \$90

Q. I signed up for camp and paid my deposit but now our vacation plans have changed and we will be away that week. What can I do?

A. No problem, we will transfer your deposit to another week providing there is space in that week and it's communicated to us before June 12th. There are NO transfers, make ups, credits, discounts or refunds after June 12th, 2023.

Sorry, but there are no exceptions.

Q. My son/daughter has a friend they would like to have join them, can they be in the same group?

A. We do our best to keep friends together by dividing the children into same age/skill groups. This at times can be difficult if the friends are different ages. In this case, older will always be moved to the younger group. We do ask that at the time of registration or at least one week prior to your camp week, you provide us with this type of information if you can.

Q. My child is potty trained but newly potty trained, do you take them to the bathroom regularly?

A. Yes, we do take potty breaks and your child may use the bathroom at any time during camp. However, we strongly recommend that you provide at least one change of clothes. It has been our experience that children get so excited that they often wait too long to go and may have a slight accident.

Q. My child has allergies and needs to carry an Epi Pen.

A. No problem, all we ask is that you notify the office manager at the time of registration and the week that your child attends camp you provide the pen with your child's name on it. Also, depending on their allergies, you may want to provide your child's snack for that week.

Q. Will my child leave the gym during the day?

A. Yes, if your child is 6 years of age or older, they will leave the gym for a field trip. These trips will vary from week to week, and depending on the weather, they may change that morning. We try our best to inform parents the week before they arrive at camp a tentative schedule. Children under 6 years will have a fun filled afternoon doing a variety of activities which will include some outside time in our sprinkler or splash pool.

Q. My child has difficulty swimming, what do you do to ensure safety?

A. Before any children are allowed to go play in the pool, each child is given a swim test and this occurs every time they go to the pool. Depending on how well the child does will determine what areas of the pool they are allowed to swim. We will have a camp staff member in that area of the pool at all times.

Q. I want my child to do gymnastics all day, is that possible?

A. While our camp is gymnastics oriented, there are some group games and activities that may not use gymnastic equipment. However, all our activities are designed to build confidence, strength, and balance. If your child has done gymnastics and is skilled, we will be sure to group your child with other children of like skills. Please keep in mind though that 6 hours of gymnastics can be a long day, so we make our days full of variety and fun.

Q. The July 4 week is only 3 days, is the fee prorated?

A. Yes,

Half Day, Wednesday - Friday.

First child \$179, 2nd & 3rd \$161, 4th FREE.

Full Day, Wednesday - Friday.

First child \$225, 2nd & 3rd \$202, 4th FREE.

Q. What if I miss a day of camp for personal reasons or a sick day?

A. Our camps are organized strictly with staff to student ratio's in mind. We plan ahead, so last minute changes in enrollment do not translate into transfers, make ups, credits, discounts or refunds. We have 3 day and 5 day camps. So if you come only 4 of the 5 days, for any reason, there are no make up days, credits, discounts or refunds for the missed day(s). If your child needs a 2 day experience due to other activities in their schedule, choose the 3 day camp and simply miss one. In similar fashion, if you need a 4 day camp, simply choose the 5 day experience and miss one day. In addition, and this is extremely important; regarding 3 day camps, you must pick the days of your attendance in advance, there are no day changes, no exchanges or substitutions after June 12th.

Q. Can I sign up for just 1 or 2 days?

A. Approximately 10 days before a scheduled camp week, our office will send out an alert for any families interested in a 1 or 2 day experience, as enrollment allows, letting them know that openings are available. Enrollment would be on a first come, first served basis and paid in full at the time of enrollment. Should your enrolled child miss the camp day, please know this is also a no make up, credit, discount or refund fee.

Per day, half day camp \$60, 2 days \$120

Per day, full day camp \$90, 2 days \$180

*) All children will be required to have a current health form on file.

*) All campers who require a child seat when traveling should provide one for our use for any field trips we take.

*) We will always follow the most current safety and wellness policies, as prescribed by CDC, State and local government policies and procedures, regarding COVID-19, to keep your child, your families and our staff safe. If the government closes our business down due to "health" concerns, there are no transfers, make ups, credits, discounts or refunds for camp or class fees. Sorry, but there are no exceptions.
