IMPORTANT REGISTRATION INFORMATION AND PAYMENT POLICIES Read this information before signing the registration form. KEEP this information with your records for future reference.

- 1. The registration form must be completed and the ASSUMPTION OF RISK, WAIVER OF LIABILITY, MEDICAL AUTHORIZATION section must be signed by a parent (if under 18 years old).
- 2. Please print clearly in the area provided, use blue or black ink.
- 3. Up to two children per family, per form.

- 5. Pay the appropriate Session fee. This fee is NON-REFUNDABLE ONCE THE SESSION BEGINS. Payment is required in full no later than 2 weeks prior to session start date.

Students over 5 years old may have a PIP (Personal Instruction Preview) before any payments are offered to evaluate their skills. THERE ARE NO REFUNDS AND/OR CREDITS FOR MISSED CLASSES. THERE ARE NO MAKE UP CLASSES. Credit cannot be applied for vacations, other sporting events, missed classes, etc. Our staff will assist in an emergency and as space in class allows, as manager permits and during their CURRENT Session.

STUDENT STATUS

Brand New Students: Sign up anytime!

In fact, sign up as soon as possible (New Students should disregard the PRIORITY DUE DATE (PDD) which applies only to Current and Previous Students). Upon receipt, your registration will be dated and placed in the 'Holding File'. After the PRIORITY DUE DATE (PDD), the Holding File is opened and we begin the process of placing New Students into class BASED ON THE ORDER IN WHICH WE RECEIVED THE REGISTRATIONS. This process is time consuming and may take a few weeks. Thank you in advance for your patience.

Full payment is required with registration. In the event your first class choice is not available your entire payment will, of course, be refunded. WE DO NOT SEND CONFIRMATIONS. IN OTHER WORDS, NO NEWS IS GOOD NEWS.

Current Students: To keep your spot

Current Students have a priority over New Students ONLY if tuition is paid on or before a firm deadline called the PRIORITY DUE DATE (PDD). If a Current Student fails to pay tuition by the PRIORITY DUE DATE (PDD), priority is forfeited and New Students or Previous Students are placed in class. You must PAY TUITION BEFORE THE PRIORITY DUE DATE (PDD). Also, CLASS CHANGE REQUESTS must be made BEFORE THE PRIORITY DUE DATE (PDD) to maintain priority over New Students.

We do not invoice. For your convenience we DO send home reminders, but it remains YOUR RESPONSIBILITY to know and honor the PDD's throughout the year. We are aware that strict deadlines may seem harsh, but the alternative is overbooked classes (not an acceptable alternative).

Previous Students

Previous Student status is for any member of a family who has paid the \$45 Annual Family Administration Fee within the last 12 months. Previous Students are given registration priority over New Students ASSUMING REGISTRATION IS RECEIVED BEFORE THE PDD.

JOINING, DROPPING OR CHANGING CLASSES MID-SESSION

JOINING a class after the session starts. No problem, as long as there is an opening. Tuition will be prorated to your start date.

CHANGING classes mid-session. We will gladly accommodate class change request assuming there is a vacancy in your desired class.

DROPPING a class, missing classes. There are no refunds or credits for dropping a class midsession. ONCE A SESSION HAS STARTED, YOU ARE IN CLASS FOR THE ENTIRE SESSION, regardless of attendance. Exceptions will be made due to Medical Reasons for dropping a class (see below).

MEDICAL REASONS for dropping a class. For medical situations validated by a written acknowledgment from a licensed medical practitioner you will be granted a credit prorated from the DATE WE RECEIVE the written acknowledgment. A retroactive request for medical credit cannot be aranted, as it eliminates our opportunity to fill the vacated class spot.

FRIDAY and SUMMER "Drop in" To accommodate your family's summer vacation schedule we offer a "Drop in" class for Summer Session. Just pay as you "Drop in" go for recreation classes . It is not necessary to attend consecutive weeks to take advantage of "Drop in" . In a word, flexible!

O&A

Q: What Is the PRIORITY DUE DATE (PDD)

A: That is the date when tuition is due for Current Students. Current Students MUST pay tuition by this date to be guaranteed their current class spot for

the next Session (paying by PDD does not guarantee your new class time in the event you desire a change, however, it does give you priority over new students). This system exists to prevent overloading classes. The PDD is two weeks before each Session begins (except Fall Session which is one month previous).

Q: How Often Is Tuition Due?

A: We have three Sessions throughout the year and tuition is due in advance of each Sessions (Priority Due Date or PDD). Before each Session, we email a reminder that tuition is due soon. Parents can simply go online and register for the new session, update CC payment information and add new children. Before each Session begins parents can choose Full Payment or our EZ Payment Plan.

Q: I'm Angry! I am a loyal client and forgot to pay tuition by the Priority Due Date (PDD) and my Child's class spot was filled. Why didn't you call to remind me that tuition was overdue?

A: It would not be possible to make contact with every client within the payment period. Don't force:

A: It would not be possible to make contact with every client within the payment period. Don't forget, there is no way for us to differentiate those who "forget to pay" from those who intended to vacate their spot.

Q: Why three Sessions per year?

A: We divide the year into 3 Sessions, Fall through Christmas Holiday, New Year to End of school and Summer. The shortest session being 12 weeks. It takes at least this long for a child to benefit from any gymnastics program. The benefits of our program are realized over the long haul so we encourage year round participation, however, we realize that children have varied interests and having too many activities at once can be burdensome. Therefore, our seasonal commitment gives a child a chance to try other activities during the year without having had paid for a year's worth of instruction.

Q: What is a "Personal Instruction Preview" (PIP) and why does Aerials offer one before a family registers and pays for classes?

A: The child, with their parent, is given personal instruction, based on our lesson plan that week, and a tour of the facility. The PIP gives parents an opportunity to see our gym and make sure their child is comfortable before their first group lesson. It takes about 15 -20 minutes and will help your child's first class be a success!

Q: Do you offer make-ups?

A: There are no make up classes, we will assist in an emergency as space allows and during their current Session. No carry over to future Sessions.

Q: What should my child wear?

A: A leotard is the preferred attire for girls, shorts and an Aerials Tee Shirt for boys. These items can be purchased at the "Tumblewear" clothing shop. For safety, children go barefoot and leotards with attached skirts are not permitted. Children should remove all jewelry and tie shoulder length hair back.

Q: Can I join after the session has started?

A: New students can begin at any time during the Session as space permits. Remaining classes will be pro-rated.

Q: My child is really advanced for 2, can I put them with 3 year olds?

A: Please respect our age groups when registering. Attempts to fast track your child has negative implications to your child, the other members in class and the teachers.

Q: If the weather looks bad what do we do?

A: Call our office and hear closing information on our phone system. NOTE that we do NOT follow the closing decisions of any particular school district. If for any reason the class is canceled due to inclement weather NO REFUNDS will be made or CREDITS ISSUED. Snow days & per-scheduled holidays will be made up on Fridays unless otherwise posted. We are not able to replace the class on another day or time.

Q: How do I apply the sibling discount?

A: Only one child pays the full amount, the second and third have a 10% discount. Your 4th child enrolled is FREE.

A Punctuality Plea

Moms & Dads, for the sake of your child as well as the other children, please be on time!

Being late is more distressing to your child than most parents realize. A 8-12 minute warm up begins each class. It helps the students to develop flexibility and strength while preparing for aymnastics. Please try to be on time.
