

ALL New at Aerials for 09'

**FULL DAY
FUN-tastic
DAY CAMP**
for 3-5 year olds.

This all new FULL DAY camp program provides opportunities for:

- *) For Pre-Kindergartners.
- *) For children registered for Kindergarten in the fall of 2009.
- *) For children that have completed one year of Kindergarten.

Under the direction of Miss Karen, these programs allow an alternative to traditional day care settings. Our camp programs are sure to please kids and parents alike. The Aerials summer program is structured for your flexibility. You may go as many

or as few days as you like (no minimal number of days required). Extended hours are available for our working parents. Our camps have themed days like Beach Bonanza, Sports Spectacular and Jungle Jeepers, to ensure your child has the most diversified experience at camp possible. Campers rotate through the many activities including the NEW "Kick'n'Fun" Soccer for Kids program, carefully planned to keep your child active and involved. Experienced staff guide campers through arts and crafts, sports, fitness, science projects, field trips, story time and many fun activities!

Your children benefit from the fantastic instruction and activities that have made Aerials Summer Camp famous. We also provide an introduction to outdoor activities including nature hikes and games.

**Space is limited, reservations required.

My staff and I have been conducting camp for over 20 years and have discovered the right combination of skill building and fun to make your child's experience worthwhile and memorable. The facility is quite simply the finest in the area. By combining the latest equipment with professional, adult teachers, we've made Aerials "Fit'n'Fun" Gymnastics Center the gym for the new millennium.
